# **Blue MedicareRx<sup>SM</sup> Employer Group Health Plan PHARMACY DIRECTORY**

This booklet provides a list of Blue MedicareRx's network pharmacies. This directory is for New Mexico. All network pharmacies may not be listed in this directory. Please contact Blue MedicareRx at 1-877-838-3875, Monday through Friday 6:00 a.m. to 6:00 p.m. MT for additional information. This booklet is current as of September 2005 but does not guarantee all pharmacies are still in the network. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Blue MedicareRx network pharmacies in your area, please visit our Website at [www.bcbsnm.com](http://www.bcbsnm.com) or call our Customer Services Department at 1-877-838-3875, Monday through Friday 6:00 a.m. to 6:00 p.m. MT. (TTY/TDD Users should call 1-800-693-3816.)

## Introduction

This booklet provides a list of Blue MedicareRx's network pharmacies and includes some basic information about how to fill your prescriptions with Blue MedicareRx. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Blue MedicareRx. In most cases, your prescriptions are covered under Blue MedicareRx only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription, you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described later.

## Can the list of network pharmacies change?

Yes, Blue MedicareRx may add or remove pharmacies from our pharmacy directory. To get current information about Blue MedicareRx network pharmacies in your area, please visit our Website at [www.bcbsnm.com](http://www.bcbsnm.com) or call our Customer Services Department at 1-877-838-3875, Monday through Friday 6:00 a.m. to 6:00 p.m. MT. (TTY/TDD Users should call 1-800-693-3816.)

## How do I find Blue MedicareRx network pharmacy in my area?

To help locate a pharmacy nearest you, we have organized our directory alphabetically by city. Or, you can visit our Website at [www.bcbsnm.com](http://www.bcbsnm.com) or call our Customer Services at 1-877-838-3875, Monday through Friday 6:00 a.m. to 6:00 p.m. MT. (TTY/TDD Users should call 1-800-693-3816.)

## How do I fill a prescription at a network pharmacy?

To fill your prescription at a network pharmacy, you must show your Blue MedicareRx Member ID card. If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription (rather than paying just your co-payment). If this happens, you can ask us to reimburse you for our share of the cost by submitting a claim to us. To find out how to submit a claim, look in your Evidence of Coverage or call our Customer Services.

## How do I fill a prescription through Blue MedicareRx's mail order pharmacy service?

To get order forms and information about filling your prescriptions by mail, please refer to the PrimeMail packet in your Welcome Kit. Please note that you must use the Blue MedicareRx mail order service. Prescription drugs that you get through any other mail order service are not covered.

You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using a retail pharmacy in Blue MedicareRx's network to obtain a maintenance supply of medications. Some retail pharmacies may agree to accept the mail order reimbursement rate for an extended supply of medications, which may result in no out-of-pocket payment difference to you. Please look in the Evidence of Coverage or call our Customer Services Department at 1-877-838-3875, Monday through Friday 6:00 a.m. to 6:00 p.m. MT. (TTY/TDD Users should call 1-800-693-3816) for more information.

Prescriptions ordered through the mail usually arrive in 10 to 14 days, via U.S. Mail. Prescription refills ordered through the Internet or by phone offer faster turnaround. Your PrimeMail prescription label indicates the date you should order your refill – approximately three weeks before the end of your current supply. In the event your

mail order is delayed, you should request an additional prescription from your doctor and have it filled at a local retail pharmacy.

### Filling prescriptions at a non-network pharmacy

The following are a few exceptions when we will pay for a prescription filled at a pharmacy outside of our network.

#### Getting coverage when you travel or are away from the plan's service area

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our mail order pharmacy service.

If you are traveling within the United States and territories and become ill, lose or run out of your prescription drugs we will cover prescriptions that are filled at an out-of-network pharmacy. In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described later.

You can also call Customer Service to find out if there is a network pharmacy in the area where you are traveling. If there are no network pharmacies in that area, Customer Service may be able to make arrangements for you to get your prescriptions from an out-of-network pharmacy.

We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

#### What if I need a prescription because of a medical emergency or because I needed urgent care?

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgent care. In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described later.

#### Other times you can get your prescription covered if you go to an out-of network pharmacy

We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- If you are unable to obtain a covered drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24 hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail-order pharmacy (including high cost and unique drugs).
- If you are getting a vaccine that is medically necessary but not covered by Medicare Part B and some covered drugs that are administered in your doctor's office.

**Before you fill your prescription in either of these situations, call Customer Service to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out of network pharmacy for the reasons listed above, you will have to pay the full

cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described next.

### How do I submit a paper claim?

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy because of the reasons listed above, the pharmacy may not be able to submit the claim directly to us and you will have to pay the full cost of your prescription. When you return home, simply submit your claim and your receipt to the following address: P.O. Box 64813, St. Paul, MN 55164-0813. Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Customer Service for more information on initial coverage determinations.

LT = Long-Term Care (These pharmacies service long-term care nursing facilities.)

H = Home Infusion (These pharmacies provide infused (IV) medicine in your home per doctors order.)

IN = Indian Health Services/Tribal/Urban Indian Health Service Program (I/T/U) (Native Americans and Alaska Natives have access to I/T/U pharmacies through Blue MedicareRx pharmacy network.)

The key is also listed at the bottom of each Pharmacy Directory page for your reference.
