Please Read This Important Information

If you are a member of a Medicare Advantage Plan (such as an HMO or PPO), you may already have a prescription drug benefit through your Medicare Advantage plan that will meet your needs. By joining Blue MedicareRx, your membership in your Medicare Advantage plan may end. This will affect both your doctor and hospital coverage as well as your prescription drug benefits. Read the information that your Medicare Advantage plan sends you and if you have questions, contact your Medicare Advantage plan.

If you currently have health coverage from an employer or union, joining Blue MedicareRx could affect your employer or union health benefits. If you have health coverage through an employer or union, joining Blue MedicareRx may change how your current coverage works. Carefully read the correspondence your employer or union sends you. If you have questions, visit their website, or contact the office listed in their correspondence. If there is no information on whom to contact, your Benefits Administrator or the office that answers questions about your coverage can help.

Paying Your Plan Premium:

You can pay your monthly plan premium by mail, by “Electronic Funds Transfer (EFT)”, or by automatic deduction from your Social Security Check. If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare does not cover. If you don’t select a payment option, you will receive a bill each month. Generally you must stay with the option you choose for the rest of the year.

Please select a premium payment option:

- Receive a bill**
- Electronic funds transfer (EFT) from your bank account each month**

Account holder name: _____

Bank routing number: _____ Bank account number: _____

Account type: Checking Savings

- Automatic deduction from your monthly SSA benefit check.** (The SSA deduction may take two or more months to begin. In most cases, the first deduction from your SSA benefit check will include all premiums due from your enrollment effective date up to the point withholding begins.)

By completing this enrollment application, I agree to the following:

Blue MedicareRx is a Medicare drug plan and is in addition to my coverage under Medicare; therefore, I will need to keep my Medicare coverage. It is my responsibility to inform Blue MedicareRx of any prescription drug coverage that I have or may get in the future. I can only be in one Medicare prescription drug plan at a time — if I am currently in a Medicare prescription drug plan, my enrollment in Blue MedicareRx will end that enrollment. Enrollment in this plan is generally for the entire year. I may leave this plan only at certain times of the year, or under certain special circumstances, by sending a request to Blue MedicareRx or by calling 1-800-MEDICARE, 24 hours per day, 7 days per week. TTY users should call 1-877-486-2048.

Blue MedicareRx serves a specific service area. If I move out of the area that Blue MedicareRx serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of Blue MedicareRx, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Blue MedicareRx when I receive it to know which rules I must follow in order to receive coverage with this Medicare drug plan.

I understand that if I leave this plan and do not have or obtain other Medicare prescription drug coverage or creditable coverage (as good as Medicare’s), I may have to pay a late enrollment penalty in addition to my premium for Medicare prescription drug coverage in the future.
